

**Washington DC. – January 30<sup>th</sup> 2020** – Software Information Resource Corp (SIRC) is now a US Federal Authorized Cisco Partner.

What this authorization means:

- Federal agencies can avoid purchasing counterfeit or gray market products by selecting a trusted Cisco US Federal Authorized partner
- US Federal Authorized partners will have a specific designation in the Cisco Partner Locator
- Partners that are well-versed in selling to federal agencies can be distinguished as such to their customer base
- Recognition by Cisco as an elite community of Federal Authorized and trusted partners
- US Federal Authorized partners will receive a certificate proving their authenticity

If you are a U.S. federal government customer seeking to purchase Cisco products, we recommend that you only buy from authorized Cisco resellers. If you need help identifying Cisco authorized resellers, visit our [Partner Locator](#).
